Author Guideline

Manuscript Organisation and Format

For manuscripts presenting research results, the structure is as follows:

1.1. TITLE

The title should be concise and provided in both English and Indonesian. Below the title, write the author(s) name and affiliation. "Author(s)" refers to the student and the supervising lecturer.

1.2. ABSTRACT

The abstract must be written in both English and Indonesian, with a length of 200 - 250 words for each language version. The abstract concludes with a maximum of 5 keywords. Font: Times New Roman 11, single spacing. Email: The listed email must be that of the primary supervisor (corresponding email).

1.3. INTRODUCTION

The introduction should concisely and briefly reveal the research background, supported by relevant literature citations to clarify the scientific contribution and novelty of the research conducted. The introduction concludes with a paragraph stating the objective of the research.

1.4. MATERIAL AND METHODS

This section describes the Materials and Tools used, a brief execution of the experiment, Observed Parameters, and the Method employed. If necessary, specific details strictly related to the research may be explained in this section.

1.5. RESULTS AND DISCUSSION

Self-explanatory.

1.6. CONCLUSION AND DISCUSSION

Self-explanatory.
